OUTCOME/ PROGRAMME SPECIFIC OUTCOME (Session 2017-18 onwards):**

| Title of the course with code                                                    | Course Outcomes                                                                                                                                                                                                           |
|----------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Semester I (Hons)</b>                                                         |                                                                                                                                                                                                                           |
| <b>Understanding Political Theory<br/>(AHPLS- 101/C-1)</b>                       | <b>CO1:</b> This course introduces the idea of political theory, its history and approaches, and an assessment of its critical and contemporary trends and it also reflects the ideas and practices related to democracy. |
| <b>Constitutional Government and Democracy in India<br/>(AHPLS- 102/C-2)</b>     | <b>CO2:</b> This course acquaints students with the constitutional design of state structures and institutions, and their actual working overtime.                                                                        |
| <b>Semester II (Hons)</b>                                                        |                                                                                                                                                                                                                           |
| <b>Political Theory - Concepts and Debates<br/>(AHPLS- 201/C-3)</b>              | <b>CO3:</b> This course introduces the basic normative concepts of political theory. Each concept is related to a crucial political issue that requires analysis with the aid of our conceptual understanding.            |
| <b>Political Process in India<br/>(AHPLS- 202/C-4)</b>                           | <b>CO4:</b> This course examines the working of modern institutions, premised on the existence of an individuated society, in a context marked by communitarian solidarities, and their mutual transformation thereby.    |
| <b>Semester III (Hons)</b>                                                       |                                                                                                                                                                                                                           |
| <b>Western Political Thought - Ancient and Medieval<br/>(AHPLS- 301/C-5)</b>     | <b>CO5:</b> This course is designed to understand political philosophical traditions as it evolved in Europe from ancient to the medieval era.                                                                            |
| <b>Indian Political Tradition- I<br/>(AHPLS- 302/C-6)</b>                        | <b>CO6:</b> This course is designed to provide an understanding of the Ancient, Medieval and Liberal-Reformist Indian political thought.                                                                                  |
| <b>International Relations - Theories and Basic Concepts<br/>(AHPLS-303/C-7)</b> | <b>CO7:</b> It introduces some of the most important theoretical approaches and basic concepts on foreign policy for studying international relations.                                                                    |

|                                                                                         |                                                                                                                                                                                                                                                                                                                                                                                                                                                |
|-----------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Legislative Practices and Procedures<br/>(AHPLS-305/SEC-1)</b>                       | <b>CO8:</b> This course provides the outline for understanding the legislative process in India at various levels.                                                                                                                                                                                                                                                                                                                             |
| <b>Semester IV (Hons)</b>                                                               |                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| <b>Western Political Thought - Modern<br/>(AHPLS-401/C-8)</b>                           | <b>CO9:</b> It emphasizes the main philosophical themes in Western Political Thought as represented by select thinkers primarily from the modern period.                                                                                                                                                                                                                                                                                       |
| <b>Indian Political Tradition – II<br/>(AHPLS- 402/C-9)</b>                             | <b>CO10:</b> The course introduces a wide span of thinkers and themes that defines the modernity of Indian political thought.                                                                                                                                                                                                                                                                                                                  |
| <b>Introduction to Comparative Government and Politics<br/>(AHPLS- 403/C-10)</b>        | <b>CO11:</b> This course familiarizes students with the basic concepts and approaches to the study of comparative politics.                                                                                                                                                                                                                                                                                                                    |
| <b>Democratic Awareness with Legal Literacy<br/>(AHPLS-405/SEC-2)</b>                   | <b>CO12:</b> This course makes the students aware of the institutions that comprise the legal system - the courts, police, jails and the system of criminal justice administration                                                                                                                                                                                                                                                             |
| <b>Semester V (Hons)</b>                                                                |                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| <b>Public Administration<br/>(AHPLS-501/C-11)</b>                                       | <b>CO13:</b> The course provides an introduction to the discipline of public administration. It also explores some of the recent trends with an attempt to provide the students a comprehensive understanding on contemporary administrative developments.                                                                                                                                                                                     |
| <b>Emergent Issues in Post-Cold War Global Politics<br/>(AHPLS-502/C-12)</b>            | <b>CO14:</b> This course introduces students to the key debates on the meaning and nature of globalization by addressing its political, economic, social, cultural and technological dimensions and imparts an understanding of the working of the world economy, its anchors and resistances offered by global social movements while analyzing the changing nature of relationship between the state and trans-national actors and networks. |
| <b>Citizenship in a Globalizing World<br/>(AHPLS-503/DSE-1)</b>                         | <b>CO15:</b> This course explores theories of citizenship, the historical development of the concept and its practice of in an increasingly globalizing world.                                                                                                                                                                                                                                                                                 |
| <b>Social Movements in Contemporary India--<br/>-Major Issues<br/>(AHPLS-504/DSE-2)</b> | <b>CO16:</b> This course introduces the conditions, contexts and forms of political contestation over development paradigms and their bearing                                                                                                                                                                                                                                                                                                  |

|                                                                                          |                                                                                                                                                                                                                                                                           |
|------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|                                                                                          | on the retrieval of democratic voice of citizens.                                                                                                                                                                                                                         |
| <b>Semester VI (Hons)</b>                                                                |                                                                                                                                                                                                                                                                           |
| <b>Public Policy and Administration in India (AHPLS-601/C-13)</b>                        | <b>CO17:</b> This course provides a theoretical and practical understanding of the concepts and methods that can be employed in the analysis of public policy administration in India.                                                                                    |
| <b>Political Processes and Institutions in Comparative Perspectives (AHPLS-602/C-14)</b> | <b>CO18:</b> In this course demonstrates the application of comparative methods to the study of politics.                                                                                                                                                                 |
| <b>India's Foreign Policy in a Globalizing World (AHPLS-603/DSE-3)</b>                   | <b>CO19:</b> This course's objective is to teach students the domestic sources and the structural constraints on the genesis, evolution and practice of India's foreign policy.                                                                                           |
| <b>Political Sociology (AHPLS-604/DSE-4)</b>                                             | <b>CO20:</b> The course provides an understanding of recent social and political explanations of political processes and events and Evaluates possible answers provided by the different concepts in order to understand political phenomena and current social problems. |
