Outcome of the seminar:

- The discussions highlighted Skill development which helps students to get their preferred jobs. Those students who can successfully acquire skills may able to find it easier to start their own business or find a job they love most.
- The seminar also successfully highlighted the need of Skill development which helps students to stay in their jobs. Companies that invest in skill development can keep their employees longer and reduce turnover costs like recruiting, training and lost productivity due to a high rate of employee turnover.

- It entails about Skill development which helps students to get better jobs by improving existing skills or learning new ones. This includes improving communication skills with colleagues; problem-solving skills; reading faster; making better decisions etc. Anudip foundation have prepared a route track for all this training and workshop at free of cost for alumni students of Panchmura Mahavidyalaya.
